http://www.drnorth.net/E-Research-Book.exe Click "Run" for both prompted windows to activate it. This is a concise "how-to-do" book of research with extensive notes from the lead author's professional and personal experiences.

Initial Phase – 1st Deliverables

3. **Please read Dr. North's E-Research Book - How to Build Research Skills (**http://drnorth.net/E-Research-Book.exe **)** book to understand the stages of what, why, and how to do research. Learn the Research paper components and APA format;

4. **Select one of the UIE technologies that are available *(.pdf Link)* to you** or **search on Google Scholar and/or ACM digital library (login to KSU library) to locate another technology and HCI/UIE related project topic.**

5. **Write** your project *(minimum 16 pages length; four pages in each deliverables)*
   o **Abstract** (*150 words, consist of Intro, Methods and Result (will be completed at 4th deliverable*)
   o ***Literature Review (background study).*** *Sample Articles*

6. **Format** (*MS Word **Two Column** and **Full Justify***)
   https://www.youtube.com/watch?v=uhKRONqc_uA
   o Times New Roman font size 12,
   o Line spacing of One, and one-inch margins. A single line between paragraphs.
   o No footing, or footnote are required.
   o Page numbering at bottom center of each page.

7. **References** APA **APA (American Psychological Association)** format component Sample (Sample Paper --- Sample Reference)

Planning Phase – 2nd Deliverables – *Mid-Term Project Presentation*

1. **Write** your project *(minimum 16 pages overall - four pages in each deliverables)*
2. **Add** on to your project background study.
3. **Follow** the guidelines in e-research book and APA format.
4. **Define** your **method**(s), **data collections** of your research project. (*Survey Questions, etc.)*
5. **Add** diagram/pictures/tables on project body.
6. **References:** APA Format
7. **Submit** overall research project at this phase
8. **Prepare** PowerPoint Presentation/Video Clip, etc.

Execution Phase – 3rd Deliverables

1. **Write** your project *(minimum 16 pages overall - four pages in each deliverables)*
2. **Build** on your 1st and 2nd deliverables
3. **Add** diagram/pictures/tables project body.
4. **Method** (Participants, Apparatus, and procedures)/ **Data collections and Analysis**
5. **References:** APA Format
6. **Submit** overall research project at this phase including 3st deliverables

Closure Phase – 4th Deliverables - Final-*Term Project Presentation*

1. **Write** your project *(minimum 16 pages overall - four pages in each deliverables)*
2. **Result/Conclusion by completing** your project.
3. **Add** reference (APA format).
4. **Complete** your tables, graphs, etc.
5. **References:** APA format
5. **Submit** overall research project at this phase –
6. **Prepare** PowerPoint Presentation/Video Clip, etc.
